Each team must supply a referee for the tournament who will be required to officiate at least 4 games during the weekend. These games may not be the games that the team plays in, each nominated Referee will liaise with the referee coordinator in the week prior to the tournament regarding their skills and availability. The referee will be placed on games that match these requirements. Referees can still request preference to officiate the games that a specific team plays in, and whilst every endeavour will be made to facilitate these requests, they cannot be guaranteed these appointments.

Teams are required to negotiate remuneration with their referee for these 4 games, if the referee agrees to complete additional games to the above requirements BTAS will pay the official BTAS rate for any additional games.

A single referee can be nominated for a maximum of 3 teams, with the requirement being that they will referee at least 4 games per team.

Presentations will be held after each Grand Final.

We encourage teams to stay and support the Grand Finals in each division.
